

# FOOD WASTE

## YES PLEASE:

- Rice, pasta and cheese
- Vegetables and fruit - raw, boiled, skins and peels
- Tea leaves and coffee grounds (with filters and bags)
- Fish, meat, cold cuts and bone
- Bread, cookies and cakes
- Grease and fat
- All food waste - cooked or raw (without packaging)

Food waste is converted to biogas. It can be used as fuel or to production of electricity and district heating.

!!! Gather the food waste in bags. Remember to tie a knot on the bag.
